Situated on the edge of the Yorkshire Dales National Park, a few miles from the Forest of Bowland and about an hour's drive from the Lake District, Gallaber Park provides an idyllic retreat for escaping the rigours of modern life.

Since opening in 2003, Gallaber Park has established itself as one of the most sympathetically designed and best maintained holiday parks in the area. In 2014 we achieved a gold award for the "David Bellamy Conservation Scheme". Our aim remains the continued but sustainable improvement of the park and its facilities, ensuring a natural and relaxing setting for both holiday homes and touring caravans.

In addition to the modern, well appointed shower/toilet block with laundry room, located on the touring caravan park, facilities include a surfaced walk around an open playing field, a well equipped children's play area, a separate woodland dog walk, a golf putting green and a boules pitch.

Whether you are looking for a base from which to explore the spectacular surrounding countryside, Dales villages and nearby market towns, or a place to simply relax and unwind, Gallaber Park is the perfect choice.

Holiday Homes & Lodges

Your holiday home or lodge will be sited on a spacious pitch within an area of the park exclusively reserved for privately owned holiday homes and lodges.

We normally have a good range of both pre-owned and new holiday homes and lodges available for sale on the park and through our approved suppliers with some fantastic "all inclusive package deals" available on certain models. For a full listing visit www.gallaberpark.co.uk

Touring Caravans

The separate touring caravan park is laid out around cleverly terraced, landscaped grounds. Pitches with electric hook-ups are available, together with 5 deluxe pitches with electric, mains water and drainage. Seasonal pitches are available but these are extremely popular so please book early to avoid disappointment.
